**EXPLORE**

**Where am I  
going and what  
do I need to get  
me there?**

I'm uncertain about  
who I might become,  
what I offer, or the  
world I want to enter

**ENCOUNTER**

I'm focusing my  
ideas and beginning  
to understand what  
I offer and might  
still need to develop

**EMBARK**

I understand myself well  
and how what I offer  
enables me to put  
my plan into action
